

Wine & Spirits TOP 100

WINE & SPIRITS' TOP 100 WINERIES OF 2021

“We award this honor based on Hendry’s outstanding performance in our blind tastings across a range of wines—outshining the competition within its region. We have continued to sustain our basic tasting tenets—assessing the wines without knowledge of their brand or price, and with the input of knowledgeable tasters in the trade. We are proud of the depth and breadth of our 2021 Top 100 and we are excited to include Hendry among the award-winning wineries.”

As always, we will be profiling our Top 100 Wineries in the *Annual Buying Guide* and, this year, once again, we will be celebrating our Top 100 Wineries in a series of tasting events, starting in San Francisco on October 14. [Top 100 Tasting Information](#)
