HENDRY 2020
CHARDONNAY RESERVE

From Block 9, planted in 1974, the 2020 Chardonnay Reserve was barrel fermented and aged for a year in French oak but without any malolactic fermentation. Gently toasted and nutty on the nose, it backs those initial shadings with ripe melon and white peach notes. It's full-bodied, plump and generous on the palate but doesn't come across as heavy, instead finishing on bright pineapple notes. — Joe Czerwinski Wine Advocate, May 4 2023
