“Beautiful wine!”

“The 2016 Cabernet Sauvignon is made from 100% Cabernet Sauvignon, aged for 21 months in French oak, 90% new. Deep garnet-purple colored, it sings of chocolate-covered cherries, warm plums, cassis and candied violets with wafts of spice cake and tilled soil. The palate is both full-bodied and charged with energy, revealing bags of black fruit and floral layers framed by firm, finely grained tannins, finishing long and beautifully fragrant. Beautiful wine! 1,050 cases were made. Drink 2019-2034”
